Permission Letter

Date: 9/1/2023

Subject: Letter to Seek Permission to hold Seminar under 'Biodata Kodi, Kelsa Tagoli' Campaign.

Dear Sir,

We are writing this letter to seek your permission to hold a seminar on your college campus under the ambit of the youth-centric campaign, 'Biodata Kodi, Kelsa Tagoli' on 12/01/2023

This campaign has been rolled out by Sh Prakash Koliwad's PKK Initiatives an aim to provide final-year students with opportunities to avail high-paying jobs in various sectors including Information Technology, Food Processing, Automobile, Biotechnology, Textile & Designing, Data Science, etc.

The sole purpose of the campaign is to utilize the talent and skills attained by the students from your college to avail of the jobs and achieve the success that they truly deserve.

Sh Prakash Koliwad is also launching an incubation center for first and second-year students where they can get industrial training and vocational skills for fields they wish to join in the future after completing their courses in college. This move will help students to stand out from the average performers and join the league of champions.

Though door to door campaign to create awareness and collect biodata of the youth for jobs is going on, since most of the students are not available at home during the day, we plan to reach out to them directly through a series of seminars. This campaign has been launched to map the unemployed youth to find a reliable solution to the problem.

It is also important because Sh Prakash Koliwad has already taken a pledge to make Ranebennur unemployment-free by 2028.

Sh Prakash Koliwad already has a proven track record of providing jobs to more than 10 thousand youngsters hailing from Ranebennur in the last 10 years. Thus, we will be grateful if you permit us to hold this seminar on your college campus on the prescribed date.

Thanks & Regards
