Sir.

Sub:- Seeking permission to visit your esteemed industry.

With reference to the above subject, we feel proud and happy to say that your industry is most popular in the field of cool drinks products. Therefore we would like to bring our college students of final year degree, who are very eager to visit your industry as a part of study. We hope that our students are going to collect the useful information to gain practical knowledge about manufacturing process, marketing, financing and other related aspects of your premier industry.

Hence we kindly request to grant the permission to visit the industry at your convenient date and also make arrangement for the guide during the visit.

Thanking you,
